Gents,

Many thanks for this. Let's be clear - we did not request the second report you've attached here - i.e. the one showing all calls to and from the numbers of interest. We're not interested in looking at that.

Hi,
Please find attached 2 call reports for the last 3 months. The calls to and from the Minister's land lines is empty, therefore there were no calls to or from these landlines and the numbers of interest. The 2nd report shows all parliament campus calls to/from the numbers of interest.
Please note that the prefix 223 on ↰ represents calls between the 6 parliament phone systems
