

Why Does Love Do This To Me

D **G**
I walked out, you left me,
Asus4

You know I'm hurting for you,

D **G**
It seems now that it's over,

Asus4

But there is nothing I can do,

G **A** **D** **D7**
I don't know, why does love do this to me?

G **A** **D**
I don't know, I don't know,

D **G**
Jackie came, she went away,

Asus4

Deep in the valley I kissed her that day but,

D **G**
It seems I'm thinking of you

Asus4

But I'm still thinking about myself

CHORUS

G **A** **D** **D7**
I don't know, why does love do this to me

G **A** **D** **D7**
I don't know, why does love do this to me

G **A** **D**
I don't know, I don't know,

[GUITAR SOLO, chorus chords]

D **G**
I miss you, you know that,

Asus4

But when I see you sometimes,

D **G**
I'm cut up and I'm broken

A
There am I, asking you how you are

VERSE (open chords)

D **G**
Jackie came, she went away,

Asus4

Deep in the valley I kissed her that day but,

D **G**
It seems I'm thinking of you

Asus4

But I'm still thinking of someone else.

DOUBLE CHORUS
